

We're recruiting

Recycling Assistants at our Suffolk Recycling Centres

We are FCC Environment, one of the nation's leading waste and resource management companies. Committed to sustainability, we strive to minimise the amount of waste that ends up in landfill by transforming it into valuable resources wherever possible.

We own and operate more than 200 recycling, treatment and disposal facilities and employ nearly 2,400 people across the UK.

We are currently looking for a Recycling Assistant to join our team and provide a helpful service to our customers.

The Benefits

- Minimum living wage
- 20 days holiday per annum
- Company sick pay
- Pension scheme and life insurance
- Flexible benefits including high street savings, cycle to work scheme and Gymflex membership
- Access to an Employee Assistance Programme and the Best Doctors Service
- Peer to peer recognition scheme

This is a great opportunity for you to be part of a growing, environmentally focused organisation and help reduce the impact of waste on the natural environment.

Joining our team, you will have the chance to gain hands-on experience in a busy customer facing role, helping members of the public to recycle correctly and dispose of the non-recyclable waste safely.

So, if you're eager to grow your career and enhance your existing skill set, we want to hear from you.

The Role

As a Recycling Assistant, you will help members of the public to maximise reuse and recycling when disposing of their waste at our Recycling Centre.

With a key focus on H&S and exceptional customer service, you will advise on and move various waste streams ensuring they are deposited in the right location, including large electrical items.

You will assist with the general running and maintenance of the site including monitoring waste levels, liaising with colleagues to arrange collections and ensuring good housekeeping.

About you

To join us as a Recycling Assistant you will need:

- Experience of interacting with members of the public
- Demonstrate understanding of the importance of Health & Safety
- Good customer service skills
- Good team working skills
- To be polite and helpful
